

The Terms and Conditions of “GHOST Day: Applied Machine Learning Conference 2023”

I General Provisions

1.1. These terms and conditions (hereinafter referred to as “Terms and Conditions”) regulate the rules of participation in “GHOST Day: Applied Machine Learning Conference” (hereinafter referred to as “Conference”) which will take place on 21-22 April 2023 on the premises of Poznań University of Technology.

1.2. The Organizer of the Conference is **Foundation for the Development of Poznan University of Technology** located at **Pl. Marii Skłodowskiej - Curie 5, 60-965 Poznań**, represented by the President of the Board in agreement with GHOST (Group of Horribly Optimistic STatisticians) operating at The Faculty of Computing and Telecommunications of Poznan University of Technology

1.3. A Participant of the Conference is a natural person that has filled in and submitted the Registration Form and has received confirmation of registration from the Organizer.

1.4. The Registration Form is the form that will be available on the <http://ghostday.pl/> website during the time specified on the website.

1.5. The Organizer reserves the right to change the Conference’s schedule or roster of speakers at any time.

1.6. The Organizer reserves the right to change the date and form of the Conference from on-site to online should the epidemiological situation make it impossible or difficult to organize an on-site event.

II Registration of participation

2.1. To complete the registration process a Participant is required to fill in and submit the Registration Form correctly, accept these Terms & Conditions and receive confirmation of the registration from the Organizer via email.

2.2. The registration has to be completed in the time specified in the Registration Form. The Organizer reserves the rights to end the registration early and to change its rules should the limit of available seats be met.

2.3. The Organizer does not take responsibility for any damages resulting from the submission of untrue information, including personal information of the Participant, in the registration. A Registration Form submitted with untrue information will be rejected.

III Personal information

In accordance with article 13 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (hereinafter referred to as GDPR) we inform that:

3.1. The Administrator of personal data of the “GHOST Day: Applied Machine Learning Conference” participant is **Foundation for the Development of Poznan University of Technology** located at **Pl. Marii Skłodowskiej - Curie 5, 60-965 Poznań**, represented by the President of the Board.

3.2. The legal basis for the processing of your personal data is the contract concluded between the conference Organizer and the participant of the conference - article 6 section 1 (b) GDPR

3.3. The data will be processed for the implementation and settlement of the “GHOST Day: Applied Machine Learning Conference”, Poznań 2023.

3.4. According to the law in force, personal data may be transferred to processing entities (**article 28 section 1 GDPR**) - to hotels and institutions and companies whose services the conference participants will use as well as bodies authorized under the law.

3.5. The data will be kept for the period necessary for the proper implementation and settlement of the conference - 5 years from the end of the calendar year in which the conference was organized.

3.6. You have the right to access, rectify, transfer and delete your personal data and the right to limit processing.

3.7. You have the right to lodge a complaint with the supervisory authority if you consider that the processing of your personal data infringes the provisions of the General Data Protection Regulation (GDPR) of 27th April 2016.

3.8. Providing your personal data is necessary to effect the contract of participation in the conference “GHOST Day: Applied Machine Learning Conference”, Poznań 2023. Should personal data not be provided, participation in the above-mentioned conference will not be possible.

3.9. Your data will not be processed in an automated way, including profiling.

3.10. Providing personal information by the Participant is voluntary, but it is necessary for successful completion of the registration process.

IV The conditions of participation

4.1. A Participant is obliged to read the Terms and Conditions.

4.2. The Conference will be photographed and filmed by the Organizer or by third parties in agreement with the Organizer. The submission of a Registration Form by a Participant is tantamount to the Participant's consent to have their image recorded in the form of photographs, videos or audio recordings, stored and used by the Organizer or third parties in agreement with the Organizer for any purpose, including advertising and marketing purposes. This consent applies also to the Participant's image, voice, Name, professional position and statements voluntarily given during the Conference (e.g., in the form of a recorded interview or questions given to the speakers).

4.3. Furthermore, the Organizer stipulates that it is forbidden to record or photograph the Conference without the Organizer's consent. The Organizer is not liable for any recording or usage of a person's image should it be taken by a third party without the Organizer's knowledge or consent.

V Final Provisions

5.1. In issues not governed by these Terms and Conditions provisions of Polish law apply.

5.2. The Organizer reserves the right to change the content of these Terms and Conditions at any time.

5.3. These Terms and Conditions come into force on 01.03.2023
